## Mutual Bank

Created 2015-02-16 12:30

Mutual Bank was built on a simple idea: local people and their businesses are best served by a local bank, with local interests at heart. For that reason, Mutual Bank was established as a mutual institution, owned by its depositors, instead of by shareholders. More than a century later we're still a mutual institution. We like to think of it as a better bank with a big heart.
