## Pittsfield Cooperative Bank

Created 2011-10-10 20:55

The Pittsfield Co-operative's role within our community was originally defined by our charter dated February 15, 1889. "With the intention of forming a corporation under the name The Pittsfield Co-operative Bank for the purpose of accumulating the savings of its members paid into such corporation in fixed periodical installments, and the lending of such funds so accumulated to its members." Much has changed for us since the opening of the Eiffel Tower and the first issue of the Wall Street Journal. Public banking requirements have greatly expanded and we have kept pace with the industry. Adding products and services to meet the wishes of our members our Mission Statement has become, "The Pittsfield Cooperative Bank is a mutual cooperative, community oriented Bank serving Berkshire County in Massachusetts with a variety of products and services, designed to meet the needs of individual consumers and small mid-size businesses."
